

Poll – Before You Begin

Overview

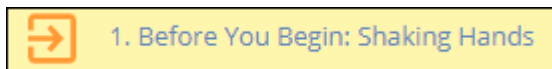

Either a Poll or Feedback question begins each unit. These are questions for learners to answer before starting the unit, and will help you gauge your learners’ interest or prior experience.

The red chart icon means that the Moodle feature used is a Poll, while the orange “arrow in a square” icon means that the Moodle Feedback feature is used.

Save my choice

Now learners can see all of the answers provided by their classmates.

A *bar chart* appears (for both learners and instructors) showing the number of learners who chose each response.

5. To return to the course, click on the course name link in the *breadcrumbs menu*.
