

## Learner Feedback

### Overview

The *Feedback* activity allows instructors to collect and view feedback from their learners.

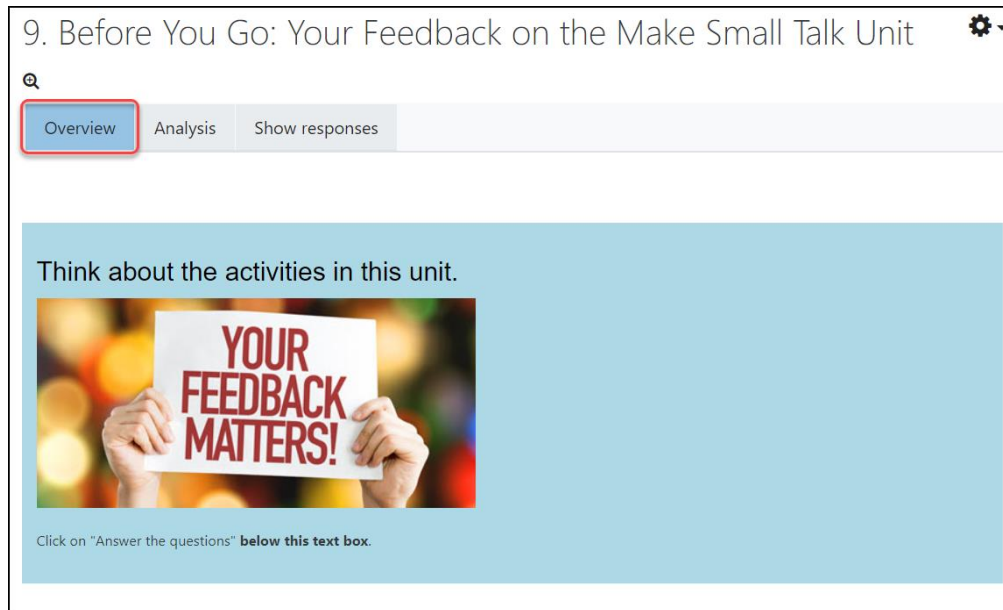

### Feedback Activity

1. On the course page, click on a *Feedback* link.

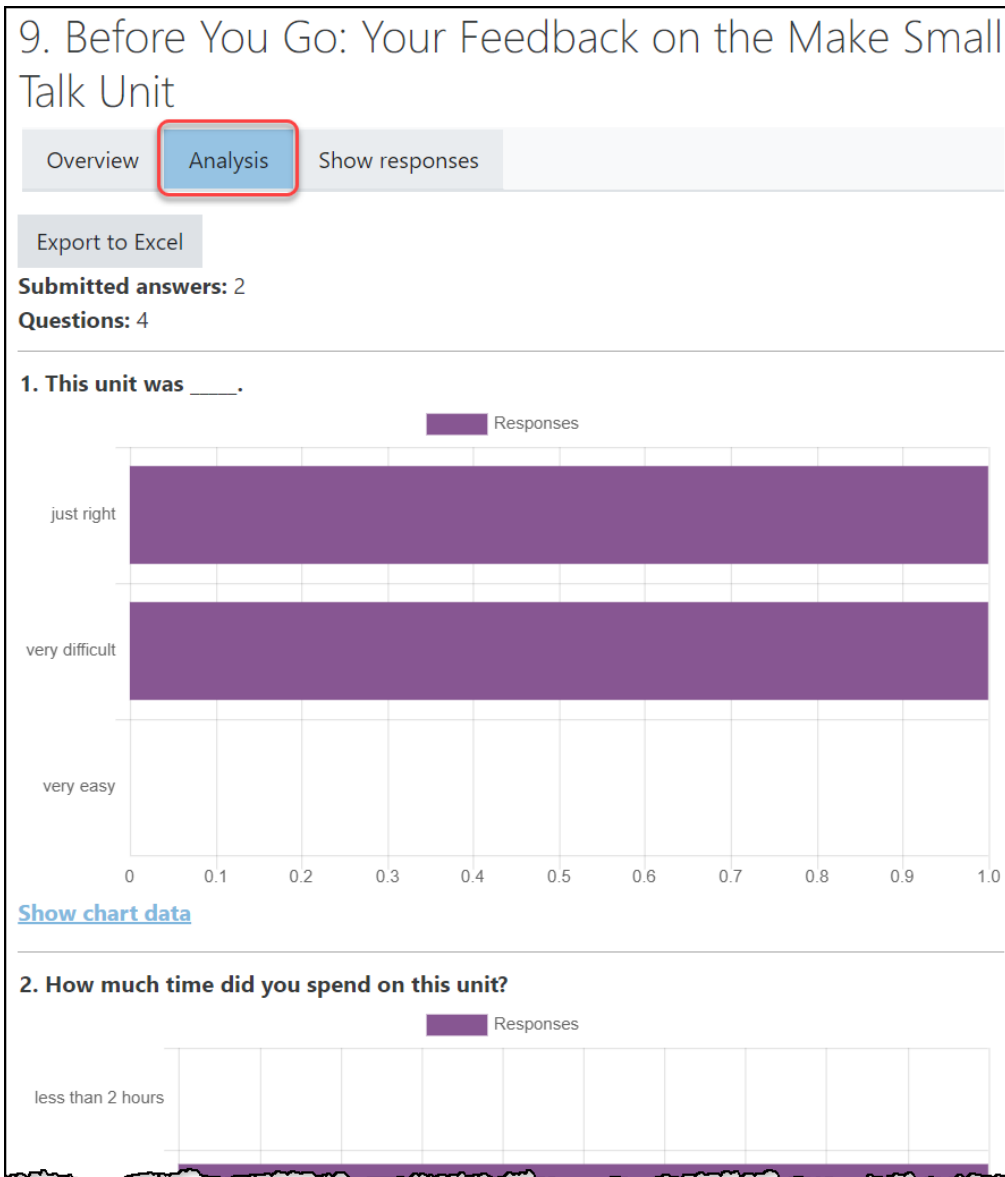

2. The *Feedback* page appears. Three *tabs* appear at the top.

*Overview*: Used as an introduction to the questions to follow. This shows what learners see when first entering the activity

Analysis: Breaks down the responses by question

*Show responses*: Anonymously shows each learner's response for each question

9. Before You Go: Your Feedback on the Make Small Talk Unit

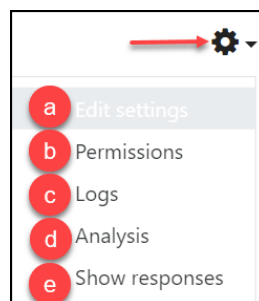

Overview Analysis **Show responses**
