

Assignments

Assignments let you complete a task. You can type your response.

1. Click on the **Assignment** link.

2. Read the instructions. Click the **Add submission** button.

A screenshot of an assignment page. At the top, it says "8. PRACTICE TASK: Write about a Place in Canada". Below that, it says "Write 3-5 sentences about a place in Canada you have visited or lived in." and "CHECKLIST: Include the following:" followed by a bulleted list: "Where in Canada the place is located", "When you lived in or visited the place", "How long you stayed there", and "Two things you did there". Below the list is a "Submission status" section with a table:

Submission status	No attempt
Grading status	Not graded
Last modified	-

Below the table is a "Submission comments" section with a link "Comments (0)". A red arrow points from the "Comments (0)" link to a grey "Add submission" button at the bottom right of the screenshot.

You can add a file from your computer using drag and drop. Or you can type your response under **Online text**.

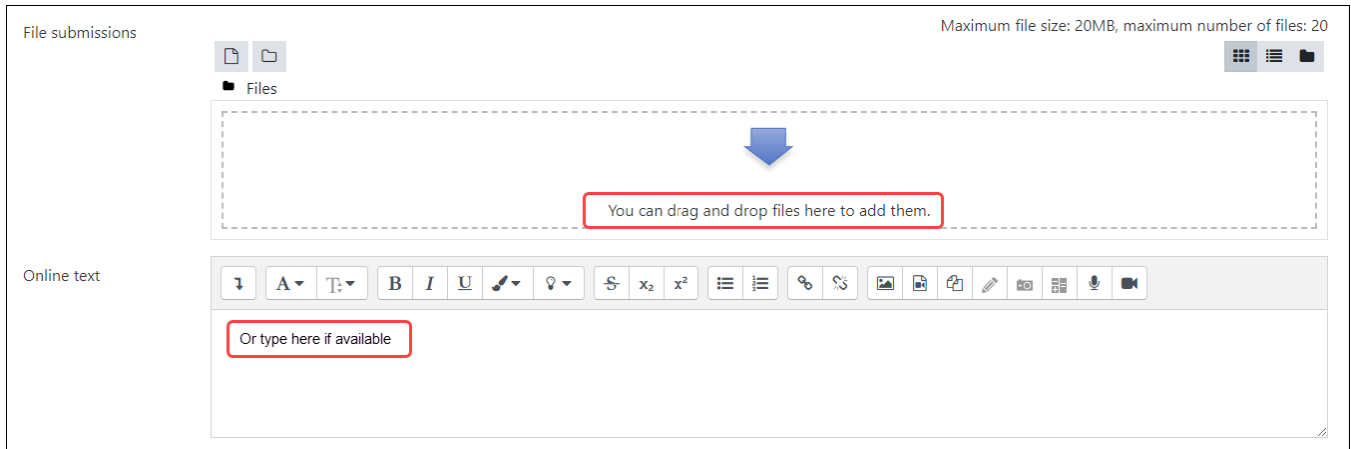

File submissions Maximum file size: 20MB, maximum number of files: 20

Files

↓
You can drag and drop files here to add them.

Online text

Or type here if available

3. Drag and drop your file, or type your response.

4. Click the **Save changes** button.

Save changes

Your submission status now shows that you have submitted your work.
