

Choice

Overview

Choice activities are questions to answer before you start learning, during your learning, or after your learning.

1. Click on a **Choice** activity.

2. Read or listen to the question.

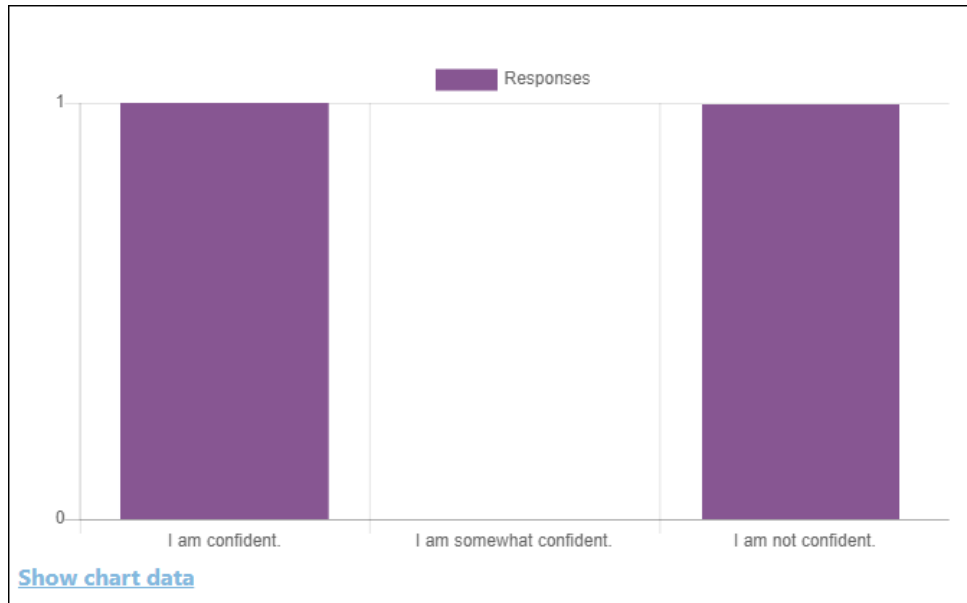

A screenshot of a Choice activity question. The question is "What do you think?" followed by "How confident are you in your ability to understand a room assignment paper?". Below the question is a light blue banner that says "Anonymous results will be published after you answer." There are three radio button options: "I am confident.", "I am somewhat confident.", and "I am not confident." The screenshot has a torn paper effect at the bottom.

3. Look at the choices and click on your answer.

A screenshot of the Choice activity options. The first option, "I am confident.", is selected with a blue radio button. A red arrow points to this option. Below the options is a black button with the text "Save my choice" in white, which is highlighted with a red rounded rectangular border.

4. Click the **Save my choice** button.

After you click the button, you may see everyone's answers.

5. Click on the **Breadcrumb menu** to return to the unit.
